

## Spare parts list pumps Type S

| Ref. | Part Name                 |
|------|---------------------------|
| 01   | Casing                    |
| 02   | Wear Plate                |
| 03   | Impeller                  |
| 04   | Bracket                   |
| 06   | Bearing Housing           |
| 06.1 | Foot, Bearing Housing     |
| 07   | Shaft                     |
| 08   | Bearing Cover             |
| 09   | Wear Plate rear (with 42) |
| 10   | Suction Valve             |
| 14   | Check Valve               |
| 16   | Drain Cover or Plug       |
| 17   | Gasket (Drain)            |
| 18   | Seal Box                  |
| 19   | Head                      |
| 20   | Seal box flange           |
| 21   | Discharge Flange          |
| 22   | Gasket Discharge Flange   |
| 23   | Priming Cover or Plug     |
| 24   | Gasket (Priming)          |

| Ref. | Part Name                                 |
|------|-------------------------------------------|
| 25   | Mechanical Seal                           |
| 26   | Clean Out Cover                           |
| 27   | Gasket (Clean Out)                        |
| 33   | Nut, Impeller                             |
| 40   | Volute                                    |
| 41   | Gasket, Volute                            |
| 42   | Gasket, Wear Plate Rear                   |
| 43   | Gasket, Casing                            |
| 44   | Gasket, Seal Box                          |
| 58   | Ball Bearing, outer                       |
| 59   | Ball Bearing, inner                       |
| 64   | Sleeve, inner                             |
| 66   | Impeller Washer                           |
| 70   | Grease Lubricator                         |
| 80   | Electric Motor (with 33,66)               |
| 83   | Foot, Bracket                             |
| 93   | Coupling Half                             |
| 94   | Rubber Part                               |
| 95   | Coupling Half                             |
|      | Gasket set (with 14,17,22,27,41,42,43,44) |
